

S2PRO-TL

8" / 11"

Whether managing a luxury boutique or a fine dining establishment, the S2PRO-TL is engineered to transform service delivery as a **high-performance Tablet POS**.

Featuring a stunning Full HD capacitive touchscreen, it provides the perfect canvas to showcase high-resolution product catalogs or vibrant digital menus. This all-in-one solution eliminates hardware clutter by seamlessly integrating **swipe, dip and tap capabilities** in to a single device. With an IP54 protection rating and fast-charging support, it keeps your team mobile and reliable - from the boutique floor to the dining table.
